Head of Traffic Regulation and
Parking

Department for Transport

ASSESSING PERFORMANCE

Department for
Transport

- Chapter 4 of the Operational Guidance

Department for
Transport

Local Area Agreements

Department for
Transport

- People killed or seriously injured in road traffic accidents (RTAs),
- Children killed or seriously injured in RTAs,
- Congestion – average journey time during morning peak
- Principal roads where maintenance should be considered
- Non-principle roads where maintenance should be considered

- Access to public services
- Working age people with access to employment by public transport
- Local bus and light rail passenger journeys
- Bus services running on time
- Children going to school – mode of transport

- Furthermore, there is a target for a per capital reduction in CO₂ in the LA area, to which transport contributes.
- Local authorities chose 35 indicators which reflect their priorities.
- On average, each local authority has picked two transport performance indicators.

Thank You
