

# Parking Technology membership benefits

## Networking

- Connect with other Parking Technology members nationwide, in person or online, to ask questions and share solutions
- Choose from more than 70 member-led meetings and events across the UK every year, including Parking Technology interest group meetings
- Attend the BPA's flagship event, Parkex, the biggest parking show in Europe
- Opportunities to meet with pan-European colleagues

## Advancing knowledge

- Members' only website section with access to the BPA knowledge bank
- Opportunities to contribute and publish papers and articles
- Access to information about new and emerging innovations in technology
- Connect with the wider membership to share market information and user experience

- Participate in research into consumer behaviour and opinions
- Receive regular e-newsletters and Parking News magazine

## Raising standards

- Help raise consumer confidence in parking standards
- Be part of the conversation around new technologies and innovation
- Help with the improvement of air quality, the reduction of emissions and the development of sustainable practices in parking
- Promote the adoption of common standards and best practice
- Receive advice and support to promote the increased use of sustainable transport and electric vehicles across the parking profession

# Parking Technology membership benefits

## Advice and support

- Dedicated Parking Technology account manager for one to one support, information and advice
- Lawline, offering up to 30 minutes of free legal advice for all Parking Technology members
- PRline, offering up to 30 minutes of free public relations support
- HRline for up to 30 minutes free advice on employment law and other HR related matters

## Lobbying and engagement

- Influencing the future direction of the parking profession by engaging with government bodies and pushing for change to improve standards and regulation of parking

- Representing the views of our Parking Technology members, ensuring your voice is heard as part of the wider parking community
- Consumer group engagement and public campaigning
- Proactive national and local media relations on behalf of our members

## Professional development

- Providing individuals with learning support and advice to maximise career opportunities within parking
- Advice and guidance on parking qualifications, career progression and development opportunities
- Continuous professional development tools and resources
- Opportunities to stand for election to the Association's influential Council of Representatives and Boards
