Traffic Enforcement Centre User Questionnaire

Dear Customer,

I am currently reviewing the service level that the TEC (Traffic Enforcement Centre) provides to you. In particular I would like to hear your views as to how satisfied you are with how we currently interact with you and specifically on what you would find more helpful in the future.

To help inform that review please take a few moments of your time to complete this very short questionnaire.

I will be using your responses to directly influence future TEC plans and I look forward to receiving your response.

Please email your completed return to tec.la@hmcts.gsi.gov.uk by Monday 10th October 2016.

Yours Faithfully

Mrs Claire Brown
CCBC Operations Manager
